

What next?

- Besides perpetual sharing and broadcasting of information, knowledge, and personal content?
- Lifelogging
 - recording everything in one's life and sharing
- Micro-chatting
 - beyond twitter and snapchat?

Summary

- Social mechanisms, like turn-taking, conventions, etc., enable us to collaborate and coordinate our activities
- Keeping aware of what others are doing and letting others know what you are doing are important aspects of collaborative working and socialising
- Many technologies systems have been built to support telepresence and co-presence
