

Breakdowns in conversation

- When someone says something that is misunderstood:
 - Speaker will repeat with emphasis:
 - A: “this one?”
 - B: “no, I meant that one!”
 - Also use tokens:
 - Eh? Quoi? Huh? What?

What happens in social media conversations?

- Do same conversational rules apply?
- Are there more breakdowns?
- How do people repair them for:
 - Phone?
 - email?
 - Instant messaging?
 - texting?
 - Skyping?
